

Marinas

Lighthouse Point Yacht & Racquet Club

Lighthouse Point Yacht & Racquet Club is a private 78 wet-slip marina located within a few minutes of the Intracoastal Waterway, the Hillsboro Inlet, and the Atlantic Ocean. Marina services include shore facilities with shower and laundry services, full-time security, close access parking, concierge services, full club amenities—ideal for large and small power and sail vessels.

Rybovich Superyacht Marina

Rybovich Superyacht Marina & Refit Facility in Palm Beach, Florida, specializes in the refit and repair of superyachts up to 245'. They have one of the most experienced management teams in the United States and employ the area's most talented craftsmen who are dedicated to their mission of "Meeting Our Commitments with Precision." In addition, they have strong relationships with the key subcontractors in south Florida, which allow them the luxury of meeting tight timelines. The Superyacht Marina with deep water, unobstructed inlet access, Bellingham Floating Docks, robust power, and resort-style accommodations is the finest of its kind anywhere in the world.

Harbour Towne Marina

Harbour Towne Marina, a Westrec Marinas facility, is one of the most notable marinas in all of south Florida and is widely recognized as a model of efficiency and effective marina design. The 33-acre facility encompasses 156 wet slips for boats 40' to 200', nearly 687 drystack spaces, and 80,000 square feet of office and retail space. Their newest drystack building was completed in July 2009 and holds 156 boats up to 50' in length. With a staff of 43, Westrec continues to participate 100% in the development, construction, capital improvements, and all aspects of management of the marina.

Marina Bay

Marina Bay Fort Lauderdale offers 168 deep-water slips for boats from 24' to 150' and a number of amenities including a pool, gym, theatre, billiard room, and restaurant. The facility was named as one of the top 100 megayacht marinas by *Showboats International*.

Roscioli Yachting Center

Roscioli Yachting Center is a state-of-the-art, full-service yachting facility with over 125 employees including computer design specialists, carpenters, electricians, painters, mechanics, interior designers, and more. The marina offers undercover yacht storage for boats up to 125', 24-hour security, and haul and launch up to 220 tons.

Sunset Harbour Yacht Club

Sunset Harbour Yacht Club was formed in 2003 and is a not-for-profit corporation. It is operated by a board of directors as well as a general manager and offers 125 slips ranging from 45' up to 150'. Club members have access to all amenities as well as their boat slip and parking spot. Amenities include pumpout connection, Wi-Fi, hardwire Internet connections running on a fiber backbone, cable TV, water, power up to 100-amp three Phase, swimming pool, gym, clubhouse, and extensive security monitor system.
