AMI awarded Ambassador Award at American Boating Congress

Washington, DC - The Association of Marina Industries (AMI) received the American Boating Congress Ambassador Award, which is given to the ABC Co-Host who has the most significant promotion of the American Boating Congress.

This year, AMI dedicated a webpage to the American Boating Congress, forwarded all ABC communications directly to AMI members, appeared in trade magazines, and many other actions to promote the American Boating Congress.

“I am pleased to see the AMI staff recognized for their efforts”, said Joe Riley, AMI Chairman, “and I hope we can continue to build this relationship with NMMA, ABC and the broader recreational boating industry”.
